Dear Board Members,

With this email I am resigning my position as superintendent of schools of the Oklahoma City Public Schools effective at 5:00 p.m. on June 30, 2024.

This resignation comes only after many forthright and candid discussions with each of you.

As you know, a particular member of this Board and I have completely different views regarding individual board members' roles and responsibilities and mine in serving this District. For months, and in good faith I have tried to bridge that gulf through conversations with the board and with concessions I have been willing to make, but to no avail. I regret that our differing views of who should administer the District on a daily-basis are now irreconcilable.

Rest assured that I will competently and diligently continue with my duties under my contract until June 30. My hope is that this frees the Board to engage in a superintendent search, while maintaining continuity in District operations.

To those of you on the Board who have offered your encouragement and support, I appreciate you.

It has been a great honor to serve this wonderful community for the past six years. I have made many friends here and my affection for this District, its students, staff, and patrons will long abide.

With kindest regards,

A handwritten signature in black ink that reads "Sean McDaniel".
